PREAMBLE

A. This agreement entered into this 1st day of January, 1994, by and between Edison Township in the County of Middlesex, hereinafter called the "Employer", and AFSCME duly appointed representative hereinafter called the "Union", represents the complete and final understanding on all bargainable issues between the Employer and the Union.

B. The purpose of this agreement is to promote harmonious relations between the Employer and the Union, and the establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work, and other conditions of employment.

• ARTICLE I
RECOGNITION

A. The Employer recognizes Local 3269 of the American Federation of State, County and Municipal Employees, AFL-CIO as the sole and exclusive bargaining agent for the purposes of establishing wages, hours and other conditions of employment for all salaried and hourly employees in the classifications listed under Appendix A attached hereto, and by reference made a part of this Agreement and for such additional classifications as the parties may later agree to include, excluding, however, confidential employees, and all other employees excluded by statute, N.J.S.A. 34:13A-5.3. Employees not listed in Appendix A are also excluded except for those newly created positions agreed upon by both the Union and Management.

B. All newly created positions agreed to by both the Union and Management shall be immediately incorporated into Appendix "A" and inserted into the mutually agreed upon job family. There shall be a mutually agreed upon salary range set.

C. The title "employee" shall be defined to include the plural.

D. The nature of certain matters necessitates the need for confidential positions. Management shall retain the right to hire confidential staff members. Such confidential staff members shall include those in policy making roles and those employees who serve as support staff for those in policy making roles. Such confidential positions shall not be represented in any way as a bargaining agent for any purpose by Local 3269 of the American Federation of State, County and Municipal Employees, AFL-CIO. The definition of confidential employees shall be in accordance with PERC guidelines and regulations.

ARTICLE II
MANAGEMENT RIGHTS

A. The Employer hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States, as well as the following rights:

1. To exercise the executive management and administrative control of the Township and its properties and facilities and activities of its employees utilizing personnel methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Township.
2. To make rules of procedure and conduct, to use improved methods and equipment, to determine work schedules and shifts, as well as duties, to decide the number of employees needed for any particular time and to be in sole charge of the quality and quantity of the work required.
3. Proposed new rules or modification of existing rules governing negotiable working conditions shall be negotiated with the Union before they are established as provided by the statute.
4. To hire all employees, whether permanent, temporary or seasonal; to promote, transfer, assign or retain employees.
5. To set rates of pay for temporary or seasonal employees.
6. To suspend, demote or take any other appropriate disciplinary actions against any employee for good and just cause according to law.
7. Nothing contained herein shall prohibit the Township from contracting out any work.
8. To lay off employees in the event of lack of funds or under conditions where continuation of such work would be inefficient or nonproductive.

9. The Employer reserves the right to all other conditions of employment not reserved to make such changes as it deems desirable and necessary for the efficient and effective operation of the Departments involved.

B. In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations, and practices in the furtherance therewith, and the use of judgement and discretion in connection therewith, shall be limited only by the specific and expressed terms thereof in conformance with the constitution and laws of New Jersey and of the United States.

C. Nothing contained herein shall be construed to deny or restrict the Employer of its rights, responsibilities and authority under R.S. 40:1-1 et seq. or any national, state, county or local laws or regulations.

D. The parties recognize that the exercise of managerial rights is a responsibility of the Township on behalf of the taxpayers and that the Township cannot bargain away or eliminate any of its managerial rights.

E. Management may appoint any employee to serve in an acting capacity for a period not to exceed ninety (90) days, unless reappointed by the Business Administrator. It shall not be the intention of management to circumvent any established promotional procedures through the appointment of any employee to serve in an acting capacity.

ARTICLE III
MAINTENANCE OF WORK OPERATIONS

A. The Union hereby covenants and agrees that during the term of this Agreement, neither the Union nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike, (the concerted failure to report for duty), work stoppage, slow-down, walk-out or other illegal job action against the Employer.

B. In the event of a strike, slow-down, walk-out or job action, it is covenanted and agreed that participation in any or all such activity by any Union member shall entitle the Employer to invoke appropriate penalties.

C. The Union agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned or from supporting any such activity by any other employee or group of employees of the Employer and that the Union will publicly disavow each action and order all such members who participate in such activities to cease and desist from same immediately and to return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the Union order.

D. Nothing contained in this Agreement shall be construed to limit or restrict the Employer in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach of the Union by its members.

E. The Employer agrees not to lock out its employees.

ARTICLE IV
GRIEVANCE PROCEDURE

* A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Township. Nothing contained herein shall prohibit the parties from raising a timeliness argument under this Article.

C. With regard to employee, the term "grievance" as used herein means an appeal by an individual employee or group of employees, from the interpretation, application or violation of this Agreement. With regard to the Employer, the term "grievance" as used herein means a complaint or controversy of the negotiable terms and conditions of this Agreement.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent in writing:

STEP 1: The Union shall institute written action under the provisions hereof within ten (10) working days after the event giving rise to the grievance occurred, or when the employee knows or should have reasonably known that a grievance should be filed, and an earnest effort shall be made to settle the differences between the aggrieved employee and the immediate Supervisor for the purpose of resolving the matter informally. The written grievance at this step shall contain the relevant facts and a summary of any preceding oral discussion, the applicable section of this contract violated, and the remedy requested by the grievant. The immediate Supervisor or his/her designated representative will answer the grievance in writing

within ten (10) working days of receipt of the written grievance. Failure to act in writing within said ten (10) working days shall be deemed to constitute an abandonment of the grievance. Failure of the Supervisor to respond will be construed as a negative response.

STEP 2: If the Union wishes to appeal the immediate Supervisor's decision, it shall be presented in writing to the Department Head within ten (10) working days after the immediate Supervisor's response is due. The Department Head shall respond in writing to the Union President or designated representative within ten (10) working days. Failure to respond within ten (10) working days shall be construed as a negative response.

STEP 3: If the Union wishes to appeal the decision of the Department Head, such appeal shall be presented in writing to the Business Administrator within ten (10) working days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Business Administrator shall respond in writing to the grievance within ten (10) working days of the submission.

STEP 4: If the grievance is still unsettled, the Union may, within ten (10) working days after the reply of the Business Administrator is due, by written notice to the Business Administrator, proceed to arbitration. The decision of the arbitrator shall be in writing and shall be rendered within thirty (30) calendar days and such decision shall be final and binding on both parties.

E. The following procedure will be used to secure the services of an arbitrator:

1. A representative of the Township and a representative of the Union will attempt to select a mutually satisfactory arbitrator.
2. If they are unable to do so within ten (10) working days after the Business Administrator was notified of the Union's decision to go to arbitration, a request will be made to the New Jersey Public Employment Relations Commission.
3. Expenses for the arbitrator's services and the proceedings shall be borne equally by the Township and the Union.
4. The Union will notify the Township in writing of the names of its employees who are designated by the Union to represent employees under the grievance procedure. Such employees so designated by the Union will be permitted to confer with other Union Representatives, employees and with Township representatives regarding matters of employee representation during working hours without loss of pay provided, however, all employees shall secure the permission of their immediate Supervisor, which permission shall not be unreasonably denied.

F. Upon prior notice and authorization of the Department Head or immediate Supervisor, the designated Union Representative shall be permitted as a member of the Grievance Committee to confer with employees and the Employer on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided, the conduct of said business does not diminish the effectiveness of the Employer or require the recall of off-duty employees.

G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified then the grievance shall be deemed to have been abandoned. If the grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at steps one and two in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing in writing to extend or contract the time limits for proceeding the grievance at any step in the grievance procedure.

3. The Supervisor shall record this information on the appropriate sick leave form.
4. Failure to notify the Department Head or his/her designated representative may be cause for denial of the use of sick leave for that absence and constitute cause for disciplinary action. An employee who is absent three (3) consecutive work days or more and does not notify the Department Head or designee any of the first two (2) days shall be subject to dismissal.

4. In charging an employee with sick leave, the smallest unit to be considered is one (1) hour.
5. Sick leave shall not be allowed for professional services that may be normally scheduled within the employee's regular off time, however, personal leave may be used for ordinary dental care or doctor appointments in increments of one (1) hour. The utilization of sick leave for elective medical procedures will not be considered without sufficient medical evidence to substantiate the necessity of scheduling the medical or dental services during the work day.
6. Habitual absenteeism or tardiness may be cause for discipline up to and including discharge.

Upon a recall, employees on layoff may exercise their seniority to return to the classification formerly held or to lower classifications within the job family which they were placed at the time of the layoff.
2. Notice of recall shall be given in writing, return receipt requested, to the employee's last recorded address as reported to the Personnel Department. An employee shall be deemed to have received the notice of recall on the date the return receipt slip is signed. If the employee is unable to receive written notice, for whatever reason, he shall be deemed to have received said notice five (5) working days after the notice is sent by the Township. A copy of said written notice will be given to the Union. Recalled employees shall be given up to five (5) working days after receiving certified notice of recall to return to Township employment before their recall rights are forfeited.
3. In the course of a recall, employees who have displaced less senior employees, as provided in Paragraph four (4), will be given the opportunity to return in seniority order to their former classifications.

4. When an employaa is recalled from layoff and reinstated, the employea is considarad to have continuous service credit for computation of future earned benefits. The calculation of total period of continuous service, however, does not include the length of the period of the employea's layoff.

I. An employaa who is transferred or "bumped" as a result of a layoff, shall have his/her salary reduced to the highest salary in the lower classification to which the employee is bumped, provided that that salary is not higher than his/her current salary. When such an incident occurs the employee shall receive a salary equal to the next highest salary in the lower classification.

In the event that an employee is transferred or "bumped" as a result of a layoff, into a job classification which is in the same tier as the job classification from which he/she is displaced, he/she will not have his/her salary reduced.

J. In all applications of seniority, departmental seniority shall be given preferanca in vacation schedulas, overtime, personal days, and work shifts where a dispute arises between two or more employees.

K. In matters of promotion or demotion, if qualifications, abilities and fitness are equal, then seniority shall prevail.

L. The Township shall maintain an accurate, up-to-data seniority rostar showing each employee's date of hire, classification, and pay rate and shall furnish copies of same to the Union upon request.

M. The Township shall promptly advise the appropriate Union representative of any change which necessitates amendments to the seniority list.

ARTICLE XXXV

1. Except in cases of emergencies, no employee may work out of title until approval is granted through the Department Head or immediate Supervisor prior to the employee performing said work. In emergency situations, approval by the Department Head or immediate Supervisor may be obtained after the fact, but no later than two (2) weeks after the assignment begins.
2. That said assignment must be for at least one (1) day for the purposes of out-of-title work.

ARTICLE XXXVI
EMPLOYEES ON CALL

All employees covered by this agreement, who are required by their Department Head, immediate Supervisor or Business Administrator to be on call at any time during the week, shall be compensated at the rate of \$50.00 per week.

B. All dispatchers shall be required to be certified in CPR, 911, and EMD.

C. Training for those dispatchers hired before June 30, 1995, shall be paid for by the township of Edison. Certification will become mandatory for these employees on a date mutually agreed upon between administration and AFSCME Local 3269.

D. Employees hired on or after June 30, 1995 shall be required to be certified in CPR and EMD as a prerequisite for employment.

ARTICLE XXXVIII

A. The employer and the Union agree that this agreement is the complete agreement between them and that no other understandings or agreements and no past practices shall be binding on the employer or the Union during the term of this agreement unless agreed to in writing between the employer and the Union subsequent to the date of execution of the agreement.

B. This agreement represents and incorporates the complete and final understanding and settlement by the parties of all bargainable issues which were or could have been the subject of negotiations. During the term of this agreement, neither party will be required to negotiate with respect to any such matter; whether or not covered by this agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this agreement.

C. It is the intent of the parties that the provisions of this agreement, except where noted in this agreement, will supersede all prior agreements and understandings, oral or written, expressed or implied, between the parties, and shall govern their entire relationship and shall be the sole source of any and all rights or claims which may be asserted. The Union for the life of this agreement, hereby waives any rights to request to negotiate or bargain with respect to any matters contained in this agreement. It is mutually understood that this clause is a clear waiver as to any right not expressed in this agreement.

D. This agreement is separate and distinct from, and independent of all other agreements entered into between Union and other employer organizations irrespective of any similarity between this agreement and any such other agreements. No act or thing done by the parties to such other agreements, or notices given under the provision thereof, shall change or modify this agreement, or in any manner affect the contractual relationship of the parties hereto.

E. This agreement shall not be modified in whole or in part by the parties except by an instrument in writing only executed by both parties.

ARTICLE XXXIX

Either the union or the Township may call for a meeting.

The party calling for the meeting shall submit an agenda to the other party five (5) days in advance.

These Labor/Management meetings shall not be used to circumvent the grievance procedure and are designed to promote communication and harmonious relations between the parties.

ARTICLE XXXX
